### **Bestselling author AJ Campbell to publish her highly anticipated second novel *Don't Come Looking***

**Stansted, Essex 09/02/2021**

Author and mum of three, AJ Campbell hasn't let the global pandemic get in the way of realising her dreams. Following on from the success of her debut novel *Leave Well Alone*, AJ, from Stansted, Essex, is using the 2021 lockdown to prepare for the launch of her second novel *Don't Come Looking*.

A psychological thriller, *Don't Come Looking* follows the disappearance of family man Marc O'Sullivan. Marc was happily married, and a devoted father, or so everyone thought. He was last seen at his local police station making a statement. It's on record – when his family report him missing, Marc doesn't want to be found. How do you find someone who wants to disappear? Advance readers have described AJ's latest book as a 'page-turner I couldn't put down.'

AJ is holding an online launch party on Saturday, April 17<sup>th</sup> via Facebook Live: [Facebook.com/AJCampbellauthor](https://www.facebook.com/AJCampbellauthor).

Despite the challenges of lockdown, AJ's first novel *Leave Well Alone* hit the top of the Amazon bestseller charts. 'It took numerous 5 am starts and midnight finishes so I could fit everything in while having my children at home for nearly six months. I felt it was a story that needed to be told, and I didn't want to look back at 2020 with regrets,' she says. 'Becoming a bestselling author is a dream come true. I want to thank all the people that have supported me on this journey. I am so excited to be launching my second novel this April.'
